### Support for the Foundation of Haiti

Following the earthquake of January 12 and the call for solidarity with our Haitian brothers and sisters launched by the Superior General in his letter of January 18, the Viatorian community has responded generously. The Provinces and Foundations have sent financial assistance to aid in the relief of the people of Haiti, especially for the immediate needs of those who have lost their houses and have taken refuge in the various centers run by Viatorians: in the

garden of the destroyed Villa Manrèse, the parish at grand Goave and on the campus of the College of the Immaculate Conception in Gonaïves. The upcoming meeting of the Extraordinary General Council will also take up the issue of further help for our stricken foundation.

We assure the Viatorians of Haiti, especially those who have lost family members, that they are in our thoughts and prayers during this time of trial.
