

“The mission of the Viatorian Community is to announce Jesus Christ and his Gospel and to raise up communities where faith is lived, deepened, and celebrated. Viatorian associates are co-responsible for that mission and strive to carry it out through their work as educators and through their other pastoral, professional, and domestic activities. Viatorians devote themselves to proclaiming the Good News of Jesus Christ especially among the young and the abandoned in today’s world and to working in favor of peace and social justice. They are especially devoted to catechizing children and adults and to animating liturgical life.”

*Charter of the Viatorian Community 2006*
