Action One: Prayer

O God of all nations and peoples: We live in a nation of immigrants, and one in which the diverse gifts of many people have contributed to our energy and strength. Yet it is one in which some immigrants are discriminated against because of the color of their skin, their language, or the country of their origin. Help us, by your grace, to offer hospitality to all strangers, as our Father Abraham did in the desert. Grant us the wisdom and skill to enact just and merciful immigration reforms so that the hospitality and access to this great land may be offered equally to people of all colors and races and nations. (Episcopal Diocese of West VA)
