### **Action One: Prayer**

**God of all creation, You formed this earth as a home for all, rich in beauty, abundant in life, meant to be shared in justice and love. Open our eyes to the cries of the earth, wounded by neglect, pollution, and greed. Stir in us a deeper reverence for your creation that we may protect and restore what you have entrusted to us. Open our hearts to the cries of our sisters and brothers forced to leave their homes. Those displaced by violence, poverty, and the growing impacts of climate change. May we recognize in every migrant your presence, and respond with compassion, welcome, and dignity. We ask this in the spirit of hope and love that renews the face of the earth. Amen.
