### **Action One: Prayer**

**God, grant us the serenity to accept that we cannot eliminate injustice and suffering in the world, but the courage to stand against them and the wisdom to forge a better tomorrow than the limitations of today. Loving God, teach us to live one day at a time, to enjoy moments of joy and goodness as they come and to accept hardships, setbacks, and days when progress seems impossible as the inevitable product of doing ministry and advocacy in a fallen world. God of wisdom, help us take, as those who walked this walk, and fought this fight before us, this sinful country as it is while working to make it what it should be. Trusting that "eventually" You will make things right as we participate in and surrender to your will. That we may be reasonably happy in this life and supremely happy with you and the company of all in heaven in the next. Amen (Dr. Lewis Brogdon, Executive Director [JustFaith Ministries](#))**
